Charles G. "Lefty" Driesell

FIVE - O - FIVE IN 25

With his 500th career win, a 91-38 success over Towson State, 2/21, Lefty joined 3 other Division I coaches who are still active (with 10 or more years at a Division I school in achieving the elite 500 or more wins in their career. They are Ralph Miller, Oregon State; Guy Lewis, University of Houston; Norm Sloan, University of Florida; and Driesell.

Also, Driesell joined 16 others in Division I, with 10 or more years, with 500 or more wins in their coaching career. Kentucky's Adolph Rupp tops the list with 875 career wins in his 41 years coaching.

Of the 17 who have won 500 or more games, only 4 have averaged 20 or more wins a year. They are Rupp, 875 in 25 years; John Wooden, 667 in 29 years; Dean Smith, 550 in 24 years; and Driesell, 505 in 25 years.

With the 500th milestone win, Lefty joined Smith as the only 2 coaches, active, (among those with a minimum of 10 years in NCAA Division I) to win 500 games while compiling a winning percentage of better than 70%. Lefty's 505-210 gives him 71%. Smith is tops with 77%. In his 16 years at Maryland, he is 329-145 for 70% and an average of 20.6 wins a year.

The historic 500th win also gave Lefty another 20-game winning season. The 25 wins last season made it the 10th time in the 16 years his teams have won 20 or more games a season for the Terps. It was his 16th in his 25 years as a head coach since he had 6 seasons winning 20 or more at Davidson in his 9 years there.

Driesell has not had a losing season since his first year as a college coach at Davidson, 1960. He won 20 or more games at Davidson 6 times. When he came to Maryland, the Terps had 3 straight losing seasons and had only two 20-game winning seasons in the history of the school. His first year at Maryland, 1969, he broke even at 13 games. The 25-12 record last year gave him a 20-game season in 10 of his 16 years. In his 25 years as head coach at Davidson and Maryland, Driesell's teams have been in the top 20 rankings 14 times and 9 of these 14 have been in the top 10. Lefty has had 5 teams ranked in the final "Top Ten"; 8th in 1973; 4th in 1974; 5th in 1975; 8th in 1980; and 10th in 1984. Two teams ranked 11th, 1972 and '76; and one ranked 18th, 1981.

His 1984-85 team, his 15th year, he won his first ACC Championship. It marked the 5th time he coached his teams to the ACC Championship game.

At Davidson, he had 4 teams ranked in the final "Top Ten"; 10th, 6th, 8th, and 3rd, and two teams ranked in the final "Top 20"; 16th and 18th. Davidson had never had a team that was nationally ranked in the history of the school and has not had a "Top Ten" ranked team since Driesell left. The year he left (after the 1968-69) season, the team he left behind was 27-3 and ranked 3rd in the final AP and UPI poll.

In his 16 years at Maryland, his teams have been invited to play in either the NCAA playoffs or the NIT, 15 of those 16 years. He has been in the NCAA championship tournament 10 times with a 12-11 record. His Davidson teams reached the East Regional Championship game twice, 1968 and 1969. The Terps played in the 1975 Midwest Regional title game,

Last year marked the 8th (7th for Lefty) appearance in NCAA Tournament play in the school's history. It is the 10th year Driesell has been invited to play in the Tournament. Last year's invitation was Lefty's 5th appearance in the tournament in the last 6 years. His totals are 9 wins and 7 losses. The 8 years of NCAA play in Terp history have been 1958, and Lefty's teams in 1973, 1975, 1980, 1981, 1983, 1984, and 1985.

Seven of his losses in NCAA Tournament play came to teams that advanced to the "Final Four". His Terps lost to last year's national champions, Villanova and the 1981 Indiana national champions. In 1983 they lost to runner-up Houston; Louisville (3rd) and Providence (4th) defeated the Terps in 1975 and 1974. His Davidson teams lost to runner-up North Carolina in 1968 and the 4th place Tarheels in 1969.

With a schedule ranked the toughest in the country by the NCAA last year, Maryland played during the regular season 13 teams that were extended an invitation to play in the NCAA tournament. The Terps also played 5 teams that were picked to play in the NIT.

By winning the first round of the Southeast Regional last year, it marked the second year in a row that Driesell has coached his team to the NCAA's "FINAL 16" or "SWEET 16". Five of the 13 teams they met in the regular season joined them in the "FINAL 16"; Villanova, Georgia Tech, Alabama, North Carolina and North Carolina State.

The 23 regular season wins last year were the most ever won by Driesell in his 16 years at Maryland. He won 22 in the 1974-75 season. His victory high has been 27 (27-5), the 1971-72 season as he led the Terps to the ACC title

game, then went on to win the NIT, capping a 7-game post-season winning slate. The 37 games played last year were the most ever played by a Maryland team. Lefty's 1971-72 team played 32 while winning the NIT and the 1983-84 team played 32 games (24-8) with 3 in winning the ACC title and 2 in the NCAA Mid-east Regionals.

Lefty got his first win as a college coach, 12/3/60, a 65-59 win over Wake Forest at Davidson. He got his 100th win, January, 1966, a 105-79 win over West Virginia, in Charlotte. He got his 200th win, January, 1971, 88-69 over Loyola, (Md.); 300th win, March, 1975 over Notre Dame, 83-71, in the NCAA Midwest Regionals in Las Cruces, New Mexico; the 400th win, November, 1980 over Navy, 86-64, in Cole; the 450th win, February, 1983, over Georgia Tech, 77-68, in Cole; his 475th win, over N.C. State, February, 1984, 63-50; and his 500th victory over Towson State, 2/21/85, 91-38 in Cole.

His 1979-80 Terrapins were picked to finish 6th in the ACC but finished 1st with an 11-3 regular season conference record and an overall record of 24-7. Driesell was named the ACC Coach of the Year as well as District Coach of the Year. Albert King gained All-America honors and Buck Williams joined the Olympic team. King was named the ACC "Player of the Year" and the ACC Tournament "Most Valuable Player." They then went on to advance to the semi-finals of the NCAA Eastern Regionals. Greg Manning was named an Academic All-American after All-ACC Academic honors for the third consecutive year. Manning also led the ACC in both free throw shooting and field goal percentage, the first and still only time any ACC player has won both titles outright.

Under Driesell, Maryland has a 16-1 record against International competition. Driesell and the Terps have hosted six National Teams in Cole Field House and have won all six games, including an overtime decision against the Russian National team. In addition, Maryland represented the United States in both the Eighth Intercontinental Cup Games in Mexico in 1974 and the Kirin World Cup games in Japan in 1980, winning both championships.

Driesell has coached two Rhodes Scholars in Danny Carrell at Davidson and Tom McMillen at Maryland. Both studied at Oxford. He has also developed 3 Phi Beta Kappas. McMillen was a 3-time Academic All-America and Greg Manning also achieved academic honors for the Terps. Driesell's son Chuck, was an All-ACC academic selection the past 2 years.

After playing in the NBA for 10 years, former Terrapin Len Elmore is now in his first year of study at the Harvard Law School.

Lefty has had 3 players play for the United States Olympic teams; McMillen, Steve Sheppard and Buck Williams. McMillen currently is playing for the Washington Bullets and Williams is a top performer with the New Jersey Nets.

With Elmore now in Harvard's Law School, there are 7 of Driesell's former Terrapins now playing in the NBA. They include McMillen and Williams, Brad Davis, Dallas Mavericks; John Lucas, San Antonio Spurs; Albert King, New Jersey Nets; Charles Pittman, Phoenix Suns; and Ben Coleman, Portland Trailblazers.

Among the many recognitions Driesell has received, one of the most prestigious and precious was the NCAA

"Award of Valor". Driesell became the first coach to receive the award when he helped save the lives of at least 10 children and several adults from a townhouse fire near Bethany Beach, Delaware in 1973.

Born on Christmas Day, 1931, Driesell has also been honored as a basketball player. A three-sport athlete at Granby High School in Norfolk, Va., he was named All-State in 1950 when his team won the Virginia State Championship. He was also named the outstanding player in the state tournament and received a scholarship to Duke.

He began his coaching career as the Junior Varsity Coach at Granby High School after graduating from Duke in 1954. He became Granby's Varsity Coach a year later but quickly advanced to Newport News High where his teams compiled a 57-game winning streak while winning 64 of 70 games. His overall high school record included 97 wins and only 15 losses. He also coached the junior varsity football team to two undefeated seasons.

At Duke, Driesell was a Dean's List student where he received his B.A. Degree. He later received his Master's in Education at William and Mary College.

He recently was appointed to serve on the ACC Men's Basketball committee.

Driesell and his wife, Joyce, are the parents of three daughters, Patty, Pam, a Maryland graduate, Carolyn and son Chuck, a June Dean's List graduate.

ALL-AMERICAN LEN BIAS

A pre-season All-American selection, Len enters his senior year for the Terps and Driesell as one of the nation's top players . . . Coaches and other experts believe that last year's "ACC Player of the Year" with another brilliant playing season will be a strong candidate for the national "Player of the Year" honors . . . A definite high pick in the NBA draft, going early . . . For last year's accomplishments, refer to INSIDE FRONT COVER . . . Bias caught the attention of the basketball world his sophomore year with a fantastic season climaxed with his brilliant performance in the ACC Tournament . . . He led the Terps with his dominating play to the ACC title giving Driesell his first championship in his 15 years at Maryland . . . He also was a unanimous choice for the ACC All-Tournament team . . . In addition to his then career high 26 points against Duke in the ACC Championship game, he scored 25 against Duke in the regular season, 2/11 in Cole and 24 against North Carolina 1/12 in Cole and 24 also against Old Dominion at Norfolk, 1/21 . . . He claimed his 300th victory for Maryland in the final regular season game with the 74-65 win over Virginia in Cole March 4. The year also gave him his ninth 20 wins or more as the Terps went 24-8. The Terrapins went to post-season tournament for the sixth consecutive year as they were selected for the NCAA Mid-East Regional. Three Terrapins were drafted by the NBA, center Ben Coleman and forwards Herman Veal and Mark Fothergill.

With Washington's Marv Harshman retiring, the active list is now 4; Driesell, Ralph Miller, Guy Lewis and Norm Sloan. The Terrapins went to post-season tournament for the seventh consecu-

tive year as they were selected for the NCAA Southeast Regionals. Driesell advanced to the "Final 16" for the second consecutive year, losing to eventual NCAA Champion Villanova by a mere three points. The 25-12 mark gave Driesell a 20-game winning season in 10 of his 16 years with the Terps. He can claim coaching another All-American as Len Bias was accorded the honor as well as Bias being named ACC "Player of the Year".

Dr. John S. Toll

President

As president of a major research University with five campuses and 87,800 students worldwide, John S. Toll devotes considerable energy to strengthening excellence in teaching, research, and public service. He is committed to the University's effort to develop programs of high quality, to retain and attract outstanding faculty and students, and to extend the University's expertise throughout society. As a highly respected leader in higher education, he has created new partnerships with industry, government, schools, and other institutions in this region.

In the past two years, milestones in the University's progress have included two Pulitzer Prizes for faculty members and important developments in medical research and treatment, in biotechnology, and in many other areas, among them:

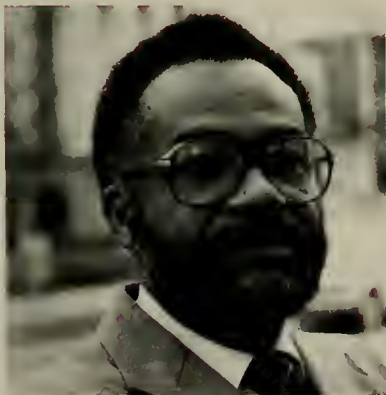

- The National Science Foundation awarded the College Park campus a \$16-million grant to establish a Systems Research Center, one of six national centers of excellence in engineering.
- The University of Maryland Foundation's high-tech research park has been selected as the site for the national Supercomputing Research Center.
- Three private gifts of \$1.5-million each gave great impetus to the University's thrust to increase the level of private support. More than 25,000 alumni, parents, and friends also made gifts to the University during 1983-84, for a record level of private philanthropic support of \$10.4 million. "Our future will

be built on the twin pillars of private and public support," says Dr. Toll.

- The arts flourish at Maryland, including the highly acclaimed Handel Festival; the travelling exhibit on "350 Years of Maryland Art and Architecture"; the gala 15th anniversary of the Maryland International Piano Festival and Competition; and numerous other cultural events.

John Toll graduated from Yale with highest honors and earned his advanced degrees in physics at Princeton. During his distinguished career as a theoretical physicist and educator, for 12 years he chaired the physics department at the College Park campus and led it to national prominence. He then served as president of the State University of New York at Stony Brook from 1965 to 1978, when he returned to Maryland to become the University's 22nd president. An avid jogger and tennis player, Dr. Toll and his wife Deborah have two daughters.

John Brooks Slaughter, the third Chancellor of the College Park Campus, is a distinguished scientist and a dedicated humanitarian as well as an able administrator. His research specialities are in the fields of electrical engineering and computer systems. His accomplishments in these fields have brought him high recognition. He is a Fellow in the Institute of Electrical and Electronic Engineers and the American Association for the Advancement of Science. He holds membership in the National Academy of Engineering, was selected U.C.L.A. Engineering Alumnus of the Year (1978), received the Distinguished Service Award from the National Science Foundation (1979), and was recognized for Distinguished Service in Engineering by Kansas State University (1981).

Dr. John Brooks Slaughter

Chancellor

Since his undergraduate days Dr. Slaughter has been active in humanitarian affairs. As chapter president of Zeta Sigma Lambda Chapter of Alpha Phi Alpha Fraternity, Inc., (San Diego) from 1957 to 1959 he participated in cultural, social, and educational activities directed toward the enhancement of the black community in San Diego. As president of the Board of Directors of the San Diego Urban League he was concerned with providing equal opportunities in education, employment, housing, and social services.

Prior to assuming his responsibilities at the University of Maryland he served as Academic Vice President and Provost at Washington State University and as Director of the National Science Foundation. In his inauguration address to the College Park campus on May 3, 1983, he set the course for his administration: "I want to see this campus continue its vigorous pursuit of academic excellence while reaching out to a more diversified student body. I want the University of Maryland at College Park to set a national standard for excellence and equality. As we pursue these goals, we must also enhance our contributions to the State. Finally, I am committed to a university that is a community, a community that takes pride in itself and touches each person involved in the campus with pride."

Dr. Betty F. Smith

Dr. Smith came to the University in August, 1970, as Professor and Chairman of the Department of Textiles and Consumer Economics. She continues to serve in this capacity. Prior to joining the faculty at Maryland, she was a member of the faculty at Cornell University.

A native of Arkansas, she received her B.S. degree at the University of Arkansas, 1951; an M.S. degree from the University of Tennessee, 1957; a Ph.D. degree in Textiles from the University of Minnesota; and another Ph.D. degree in Biochemistry, also from Minnesota in 1965.

In 1971, Dr. Smith was elected a Fellow of the Textile Institute. She teaches and conducts research in textile chemistry. She belongs to numerous professional societies, including the American Chemical Society, Sigma Xi, the Fiber Society, and the American Economics Association.

Dr. Smith has approximately 70 publications and papers from her research in textiles. She is co-author of a book, *Introduction to Textiles*, (Smith and I. Block) which was published by Prentice-Hall in Spring, 1982. In 1984, Dr. Smith was named a distinguished Alumna of Southern University.

Since coming to the University, Dr. Smith has served on numerous Department, College, and University committees.

Terrapin Olympians

The ultimate individual reward in the world of inter-collegiate athletics is to be named an All-American and to hopefully go on to represent the United States in international competition.

Three Terrapin basketball players have earned such berths on the prestigious United States Olympic Team, with all three being selected in the past three Olympic years.

Tom McMillen, who ranks as the number three career scorer in Maryland history, became the first Terp to represent his country. The three time All-American center for Coach Driesell, helped the 1972 U.S. Team, coached by Henry Iba, earn a Silver Medal.

A Rhodes Scholar and eight year veteran of the N.B.A., he is currently playing for the Washington Bullets.

Steve Sheppard, known to Maryland fans as "Bear," was selected to the 1976 Olympic team. An integral force in leading the Terps to three national rankings, he also provided that same force in helping the U.S. team, coached by Dean Smith, in its triumph of the Gold Medal in the '76 Games in Montreal.

Buck Williams, Maryland's tenacious power forward for three seasons was the last Terp honored, when he was chosen for the 1980 Olympic team. The team went on to a 4-2 record against various NBA All-Star teams and also defeated the Gold Medal winning 1976 team.

This first-round draft pick of the New Jersey Nets, third over-all, is Maryland's second all-time leading rebounder and is reckoned with in the N.B.A., after being named Rookie of the Year in 1981-82.

In addition, there are 10 other daily papers publishing around the state and some of the finest weekly papers in the country. Thus, the Terrapins have 16 daily papers covering their athletic activities. The Washington Post has a daily circulation of over 800,000 and 1.1 million with the Sunday edition. the Baltimore Morning Sun has a daily circulation of over 200,000 and over 400,000 on Sunday. In all, of the 16 daily newspapers that give the Terrapins blanket coverage, some 4 million or more readers will follow the Terrapin athletic teams.

Along with the print coverage, the Terps get game coverage from the seven television stations in the two cities: WRC, WTTG, WJLA, and WDVM in Washington and WMAR, WBAL, and WJZ in Baltimore along with their radio affiliates as well as numerous other radio stations in DC and around the state. They do frequent individual interviews with the coaches and athletes.

Both wire services staff the Terrapin games with Regional Sports Editors Gordon Beard of the Baltimore Bureau of the Associated Press and Don Cronin of the Washington Bureau of United Press International.

With Washington, DC, the News Capital of the World, every major publication and news outlet has a staff in Washington giving Maryland national coverage of all major athletic events.

Terps' Radio Network

JOHNNY HOLLIDAY
(Voice of the Terrapins)

For the seventh consecutive season, the affable and very busy Johnny Holliday will call the play-by-play for the Maryland Terrapins. He has handled the play calling of Maryland football the past seven years also, all on radio 63 AM, WMAL. This is Johnny's 29th year as an announcer for both radio and television, his 24th as a sportscaster.

During his "spare" time, he roams the country doing television commercials for numerous companies and products.

And Holliday "finds" time for charitable work. His Radio Oneders basketball and softball teams have raised over a million dollars the past 25 years. The basketball team features a number of the Redskins. He also emceeds many banquets and charitable events, free of charge.

INFORMATION FOR MEDIA VISITING COLLEGE PARK

HOTELS AND MOTELS (College Park)

The popular and talented Holliday's career was highlighted last year as the ABC Radio Network chose him to do the Olympic reports for ABC. He traveled to Innsbruck to broadcast the Winter Olympics, then spent 3 weeks in Los Angeles doing the Summer portion of the Olympics for ABC Network and WMAL. For many years, he has been called upon by the network to call many major events including the Masters and U.S. Open Golf championships; title boxing matches; major league baseball, playoff games and the World Series; NFL and NBA reports and a lot more for the network and WMAL.

Johnny did the play-by-play for the Washington Federals on WMAL their two years of existence. He hosts the Stadium show from RFK before every Redskin game. He also will and has hosted the Bobby Ross and Lefty Driesell radio and television shows.

He does the morning sports broadcasts for WMAL then does the afternoon ABC Information Radio Network shows.
